Players are always eligible to play in older age groups, but are not eligible to play in younger age groups. Players cannot play in two different games for two different teams (i.e. a player cannot play in the U-14 game and then play in the U-15 game on the same day)

II. MASTER ROSTER

Any player registered with and issued a passcard for a US Club Soccer member club/team is eligible to be listed on the official US Club Soccer master roster.

US Club Soccer shall set a date of Sept. 1, 2009, by which each club must provide an initial Northeast Pre-Academy League team roster.

There is a minimum of 18 full-time players per Northeast Pre-Academy League team (to be declared on November 1) and a maximum limit of 26 full-time players on the roster. Teams can also roster up to 12 developmental players per team and those players after November 1 can play in a maximum of six (6) games. Prior to November 1, players from both the full-time and developmental roster can be used on the full-time roster. Rosters will be frozen on April 1. No players may be added as full-time or development after that time.

Only 18 players from the team roster will be eligible to participate in each game and these players must be placed on the official match report of the game (showing players that will start, are substitutes and are suspended).

The official match report shall be presented to the referee prior to the game and should also include team officials. Northeast Pre-Academy League teams are responsible for verifying accuracy. Northeast Pre-Academy League teams using players before they have been properly cleared to compete by the Northeast Pre-Academy League Competition/Discipline Committee will be subject to the appropriate disciplinary actions. There is no limit to the number of players on the roster that do not have United States citizenship. For a player who comes to the United States on or after the player is 12 years of age, the player must request and receive an international clearance from U.S. Soccer. However, an international clearance is not required of a player who is 12, 13, 14, 15 or 16 years of age if the player and the player's parent or guardian signs a statement that the player has not signed a professional contract or received money from any team for playing soccer.

III. ELIGIBLE PLAYERS

Players listed on the official US Club Soccer roster who meet the age requirement for their Northeast Pre-Academy League team, have paid the registration fee and have supplied proof of their age (necessary to obtain passcards), are properly registered to a Northeast Pre-Academy League club and are not subject to suspension are considered eligible players.

IV. INELIGIBLE PLAYERS

Players listed on the master roster that are not eligible to play, due to reasons such as missing registration materials, proof of age, etc., shall be considered ineligible players.

V. ILLEGAL PLAYERS

Players that do not appear on the official US Club Soccer roster are considered illegal players. Any Northeast Pre-Academy League club using an illegal player shall be subject to a fine as determined by the Northeast Pre-Academy League Competition/Discipline Committee, a deduction of three (3) points in the Northeast Pre-Academy League standings as well as a forfeit (by a 0-3 margin) of any Northeast Pre-Academy League games in which the illegal player participated.

VI. PLAYER REGISTRATION CARDS (PASSCARDS)

Passcards will be issued for each player and staff member that registers with US Club Soccer. All players and coaches participating in Northeast Pre-Academy League games must hold current passcards, and these passcards must be brought to each game.

All Northeast Pre-Academy League players and coaches must present their US Club Soccer passcards to the referee prior to each game. If the individual's picture is not on the card, the individual will not be eligible for the game. Additionally, a player is not considered registered until the team receives a US Club Soccer passcard from the US Club Soccer staff. Other organization passes may not be used as a form of identification. The only accepted identification for a Northeast Pre-Academy League game is a Northeast Pre-Academy League/US Club Soccer passcard. US Club Soccer will be responsible for setting up the procedures for issuing passcards and notifying Northeast Pre-Academy League clubs regarding this procedure.

VII. ROSTER

Initial Roster: Northeast Pre-Academy League Competition/Discipline Committee shall set a date for setting the official Northeast Pre-Academy League team rosters prior to each team's first game.

Full-time Player Additions: At any time during the season prior to April 1, Northeast Pre-Academy League teams may add a full-time player to its official team roster.

Limitations on Additions: Northeast Pre-Academy League teams shall be permitted a maximum of eight (8) additions of players per season to their Northeast Pre-Academy League team roster.

Player Transfers: Transfer of a player from one Northeast Pre-Academy League team to another shall be treated like any other addition. A player who wishes to transfer to a new Northeast Pre-Academy League team must obtain a release from his original Northeast Pre-Academy League club before transferring. Releases must be sent to US Club Soccer staff via e-mail to region1@usclubsoccer.org. Northeast Pre-Academy League Competition/Discipline Committee shall have the authority, upon a written request by the player, to approve a transfer of a player without club approval, or after the April 1 deadline, in extraordinary circumstances (such as, a change in residence by the player).

Developmental Players: Each Northeast Pre-Academy League club may submit a list of developmental players for each Northeast Pre-Academy League team to participate in Northeast Pre-Academy League games. A developmental player must be a currently-registered player on a Northeast Pre-Academy League club's non-Northeast Pre-Academy League team and must have been registered with that Northeast Pre-Academy League club between August 1 and December 31 of the currently Northeast Pre-Academy League

seasonal year. Developmental players may not be registered with any two different clubs at the same time during the Northeast Pre-Academy League seasonal year. The developmental player will not be subject to the minimum start requirement. A player can only be designated a developmental player before June 1. Not including games prior to November 1, a developmental player must be requested ten (10) days before the first game in which he will appear. A developmental player may appear in a maximum of six (6) Northeast Pre-Academy League games per season.

Minimum Start Requirement: All Northeast Pre-Academy League players, including goalkeepers, are required to start in at least 25% of their team's Northeast Pre-Academy League games during the season. A team's failure to comply with this requirement may result in a fine and the potential expulsion of a club from the Northeast Pre-Academy League. Developmental players are not included in the minimum start requirement. If a player is dropped by the club, the club must submit a signed written explanation if that player failed to start 25% of the Northeast Pre-Academy League matches for the season. The Northeast Pre-Academy League Competition/Discipline Committee reserves the right to refuse to accept the drop if they believe that the drop was to avoid the 25% rule. If a player is added, the player must start at least 25% of the team's remaining Northeast Pre-Academy League games during the season. The Northeast Pre-Academy League Competition/Discipline Committee will have the authority, upon request by the club, to allow exceptions to this rule in special circumstances (for example, a serious injury suffered by a player). The Northeast Pre-Academy club is responsible for keeping track of starts by Northeast Pre-Academy League players and must notify the Northeast Pre-Academy League Competition/Discipline Committee about potential exceptions as soon as possible.

In the event of a postponement, the home team shall notify US Club Soccer and the visiting team by BOTH phone and e-mail. US Club Soccer will follow up with the referee assignor.

V. RESCHEDULING A POSTPONED GAME

The two teams must consult regarding the rescheduling of any postponed game, and the rescheduled game should be determined within five (5) days of the original game date. If a game is not rescheduled within five days, the game may be rescheduled by US Club Soccer.

As soon as a consensus is achieved, the home team shall notify US Club Soccer's Daniel Allen at dallen@usclubsoccer.org of the rescheduled game information (date, time, location, etc.).

VI. RESCHEDULING CONSIDERATIONS

US Club Soccer shall have the authority to review all the facts (including fault on the part of either team, unavoidable conditions, expense for both teams and requests by a team to take a particular action in the best interests of the Northeast Pre-Academy League, its clubs and its teams) in determining whether and when a game should be rescheduled, who should bear the financial burden as a result of cancellation or rescheduling and whether the game should be forfeited or cancelled permanently. The integrity of the Northeast Pre-Academy League and the home team's schedule shall be given considerable weight in the resolution of these matters. Unless the sanction or remedy is set forth specifically in the Northeast

Pre-Academy League rules and regulations document, US Club Soccer shall decide what action to take, and that decision shall be final.

VII. FACILITY CLEARANCES

Once the Northeast Pre-Academy League schedule is released, US Club Soccer assumes that a team's home facility is cleared for all dates on its schedule. If not available, an alternative location must be provided. US Club Soccer will not automatically accept a postponement or cancellation of a game after schedules have been approved because a field is no longer available.
